

THE COACHMEN'S ROOM

DESCRIPTION

Named for the horse carriage stop for which it was once used, The Coachmen's Room is a combination of the old log cabin portion of the building and the newer, brighter porches which wrap around the original cabin. Often combined with the Wine Room for groups looking for cocktail space followed by a seated affair.

DETAILS

By itself the Coachmen's Room is ideal for presentations or small to mid-sized seated groups. The space can be set for cocktail receptions using just the one room or adding the adjacent Wine Room. A number of configurations are available.

FEATURES

The room is equipped with 70" flat screen TVs that can be used for video presentations as well as separate
